

EBV's 'Kids Cup' Runneth Over

Since 2006, EBV has supported the Frenke athletics club (LV Frenke), which is named after a little creek near Oberdorf, Switzerland. For the second year in a row, the club's track team for girls has won the Kids Cup, the squad competition at the Swiss championships. This event is organized by the Nationals Swiss Athletics Association.

The connection between LV Frenke and EBV was originally established by Marc Walser, an EBV field service engineer in the Dietikon, Switzerland, office. His daughter, Chantal Walser, is part of the successful team that recently won the 'Kids Cup' in Bern, Switzerland.

Besides the team title, young sportswoman Janine Itin from the club also won the Swiss Championship's high jump competition. As you can imagine, after clearing the incredible height of 1.64 meters, the 15-year-old teenager literally jumped for joy! LV Frenke's trainer Patrick Schmutz was more than happy. "Janine really 'put the icing on the cake' of our strong overall performance at the Kids Cup. I'm really proud of my team. They're ambitious and motivated, and naturally we'll be back at Kids Cup 2009!"
