

## **Avnet Memec and EM EMEA 'Take Their Marks' for Kids**

This October, the popular Anzinger Forstlauf took place in Anzing, Germany, for the 27th time. Here, professional and amateur athletes ran against time in different distances and categories. Avnet Memec and EM EMEA were also there. They sponsored the Kids Run by donating 1,000 euros. Although the weather was cold and wet, the event was a success with more than 1,000 participants weathering through the unfavorable conditions
