

## **Silica Sponsored and Coached Team Wins Championship**

Silica's winning streak for sponsoring youth sports champions continued last month when the 1.FC Ersingen team won the Pforzheim Hall Championship (Kreismeisterschaften Pforzheim).

Outfitted in Silica uniforms and coached by Wolfgang Heumann, a field sales engineer in Silica's Stuttgart office, the team of 9- and 10-year-old boys – which includes Heumann's son – also won its summer season.

Although this is the first year Silica has provided uniforms for the team, it is Heumann's fifth year coaching them. He helps the players train for two hours every Wednesday and Friday.

Best of luck to Heumann and the team as they continue to make Silica proud!
