

## **APS UK EMPLOYEES SEE RED, RAISE £300**

Every two years, everyone in England, Scotland, Wales and Northern Ireland is encouraged to cast their inhibitions aside, put on a red nose and do something a bit silly to increase awareness of injustice and poverty and raise money to fight them. This year, Avnet Partner Solutions UK employees showed their support for Red Nose Day – a favorite activity of theirs for years – in a big way.

Taking the theme, “BIG Hair and Beyond,” to heart, all 60 employees not only wore red clothes and red noses, but also participated in a BIG Tomato Archery Competition, BIG Bingo in the office auditorium at lunchtime and a BIG mouth contest to see who could fit the most marshmallows in their mouths.

Ultimately, the office raised £300 for Red Nose Day, which is the biggest TV fundraising event in the UK, culminating in a night of extraordinary comedy and moving documentary films. “Having the whole office participate in a host of activities was not only a lot of fun, but also helped us feel a part of the national effort to make a difference in the lives of thousands of people,” says Maria Saul, sales and marketing administrator at Avnet Partner Solutions UK.
